Date _____

The California Mathematics Council supports the involvement of classroom teachers in the activities of their professional organization. Such activities will improve teaching and learning in their own classrooms, in their schools, and throughout the state. We appreciate your cooperation in making this possible and will reimburse the district/school for the cost of substitutes that enable teachers to participate in the committee work of CMC. Please complete this form and return it (with your invoice) to:

Chris Tsuji
CMC-North Treasurer
670 Choctaw Drive
San Jose, CA 95123
